

## COLLEGE OF LIBERAL ARTS

### HONORS IN THE MAJOR FIELD DECLARATION OF INTENT

Honors in the Major Field provides for independent study/research or honors thesis during the senior year, supervised by a three-member committee in the student's major department and selected by that department. To be eligible to participate, students must:

1. Be any student in the College of Liberal Arts.
2. Achieve a minimum overall GPA of C+ (2.33) for all courses at Rollins College.
3. Achieve a minimum overall GPA of B+ (3.33) for all courses taken in the major field at Rollins College.
4. Receive the endorsement of his/her committee for participation in the program.

To qualify for the Honors in the Major Field designation on the student's transcript, above satisfactory performance of an independent study/research or approved thesis, successful completion of an oral examination, and maintenance of the grade point averages stated above are required. The Independent Study/Research/Thesis form is available on the Registrar's Office website and is to be submitted in conjunction with this form to the Dean's Office.

Student's Name: Griffin Lehm R-number: Roll90231  
Phone: 561-401-2404 E-Mail: glehm@rollins.edu

I understand that I must meet the criteria outlined above to participate in the program and to receive Honors in the Major Field upon graduation.

Student's Signature: [Signature] Date: 8-26-21

The members of my committee are:

- 1.) Dr. Summit
- 2.) Dr. Elva
- 3.) Dr. Myers

The department approves and supports this petition for participation in the Honors in the Major Field program.
